MEDICINE HAT CATHOLIC BOARD OF EDUCATION BOARD BULLETIN

JOHNSON CONTROLS PROJECT

MHCBE has taken steps to reduce its greenhouse gas emissions by partnering with Johnson Controls, an international corporation that specializes in building optimization, sustainability and safety, to update the infrastructure of schools.

At the public board meeting on November 2, Account Executive at Johnson Controls, Andrew Nartey, gave a presentation on the upgrades to the division and school buildings they completed over the last year.

Building updates include:

- LED lighting
- Centralized security system
- Building automation system
- Boiler replacement
- Rooftop unit upgrades and more.

FRIENDS OF MCCOY FUNDRAISER

The Friends of McCoy Society has partnered with Dee's Baked Goods and Grit City Distillery to offer a Christmas fundraiser this holiday season!

Grab yourself a 36 item Christmas baking selection from Dee's Baked Goods (\$30) or a number of Christmas Cheer Gift Baskets from Grit City Distillery (\$65-80).

Proceeds from this fundraiser will help the Friends of McCoy Society raise funds for a theatre and physical literacy facility at Monsignor McCoy High School.

HEALTH AND WELLNESS PD DAY

On November 8, staff across the division enjoyed a day dedicated to health and wellness!

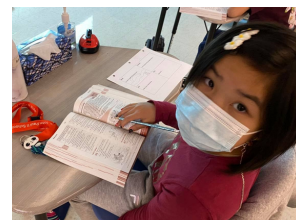

The morning began with a virtual keynote, followed by virtual wellness breakout sessions. Breakout sessions covered topics such as faith, self-care, fitness, yoga/meditation, nutrition and more. In the afternoon, staff took part in school-based wellness activities led by school wellness champions.

CATHOLIC EDUCATION SUNDAY

November 7, 2021, was Catholic Education Sunday! Each year, donations collected during the Catholic Education Mass are used to purchase bibles for the grade 4 students at the next Grade 4 Bible Liturgy.

Our students are grateful to have their very own bibles to learn and grow in their faith! [Click here to watch this year's Catholic Education Sunday Video.](#)
