Dear Parents and Guardians of Students at Mother Teresa School,

This letter is to inform you about a lockdown that was implemented at Mother Teresa School this morning. As always, our school is committed to the safety of our students and staff at all times.

The school received a threat by telephone and as a pre-caution the school was placed in lockdown. Lockdown procedures were immediately followed by staff and students and the Medicine Hat Police were called. The phone threat was investigated by the Medicine Hat City Police Service. Within a very short time, the Police determined it was safe for the school to return to normal routine. The school was in lockdown for less than 1 hour.

Please understand that safety procedures are in place to help ensure the safety of all students and school personnel. We feel that open and clear communications with parents and students is important to enhance our safety efforts and wanted you to know about this incident. If you have any concerns please call Mother Teresa School at 403.529.2000.

Thank you,

Erika Bodnaruk, Principal  
Mother Teresa School
