## SCHOOL MEDIA RELEASE

**It's ready!**

### **Congratulations St. Mary's School Outdoor Fitness Centre**

**May 17, 2018**

This Outdoor Fitness Park has been a dream come true for St. Mary's School. With lots of planning and hard work, a \$25,000 grant from the Alberta Winter Games turned the Fitness Park into a reality!

The Outdoor Fitness Park will be used by gym classes, students on break and by the community after school hours. It currently contains three machines with room for further expansion.
