Medicine Hat Catholic Schools Parent Association

Affiliated with:

 **Medicine Hat Catholic**
Board of Education

Showing the Face of Christ to All

The Parent Association was formed to provide parents with the opportunity to voice concerns and provide input on a variety of educational issues in the district.

The Medicine Hat Catholic Schools Parents Association (MHCSA) is comprised of two representatives from each school council, a member of the board, and the superintendent.

The MHCSA usually meets on the last Monday of Sept, Oct, Nov, Jan, Mar and May. Meetings are held at 7:00 p.m. Locations TBA.

ALL parents and guardians are welcome to come observe and offer input.

The purpose of the MHCSA is to provide an opportunity to:

- share common interests
- learn about what is happening throughout the school division
- celebrate school achievements and successes
- develop relationships with other school council representatives and district personnel
- support the educational goals of Medicine Hat Catholic Schools initiatives for children

“Alberta Education recommends our committee’s model as a best practice to School Boards throughout the Province”
