Section 16	<p><b>Freedom of Information and Protection of Privacy Act (FOIP ACT) - NOTIFICATION OF USE</b></p> <p>The Freedom of Information and Protection of Privacy (FOIP) ACT aims to strike a balance between the public's right to know and the individual's right to privacy, as those rights relate to information held by public bodies in Alberta. In a school setting, the privacy of students and parents is protected by the rules that schools must follow in the collection, use, protection and disclosure of personal information. We collect and use personal information for authorized programs and activities that are a normal part of school life. These uses are a vital part of a healthy and functioning school environment. The FOIP ACT does not dramatically change normal school activities; it does not prevent parents from participating in their children's education. It does allow parents and students broader rights to access to information and it does obligate schools to protect privacy. The ACT should be applied in a common sense manner and should not negatively affect school life. The following are an example of many activities that are part of a normal school community life that encourages a healthy participatory environment, which is important and encouraged:</p> <ul style="list-style-type: none"> <li>• The use of a students' name, photograph or comments about the student in a school newsletter, calendar, yearbook/ graduation notices or other school publications.</li> <li>• The taking of individual, class or school group photos for school purposes and the use of student photos for student identification cards.</li> <li>• The use of students' names on art work or other works or materials displayed in school or school boards locations, or other community events sponsored and supported by the school board. Recognition on honour rolls, graduation ceremonies, awards and scholarship application and recognition; birthday recognition (typically practiced in elementary schools announced over the PA).</li> <li>• The use of students' name, related contact information and telephone numbers for absenteeism verification and provision of transportation services.</li> <li>• Photos and/or videos of school activities that are open to the public may be taken and used for purposes outside of the school ie: newspaper articles.</li> <li>• Where individual students are identified or interviewed and the material is to be used outside the school, separate and specific consents will be required.</li> <li>• The use and/or disclosure of student's personal information will be used to establish a student record, for program placement, for funding purposes and shared with Alberta Health Services to facilitate services relative to student health including responding to medical emergencies.</li> <li>• <b>Your child's religious data will be shared with your attending Parish.</b></li> <li>• If you have any questions about the use or disclosure of the information collected please contact your School Principal or the Superintendent of Schools, 1251-1<sup>st</sup> Avenue SW., Medicine Hat, Alberta T1A 8B4 (403) 502-8347 phone.</li> </ul> <p><b>Collection and Use of Personal Information Disclaimer:</b> The personal information collected on this form is part of the District's registration process and is authorized under the provisions of the <b>School Act and its regulations and also under Section 33(c) of the FOIP Act</b>. All personal information collected during the registration process and during the course of the school year will be used to provide an educational program and ensure a safe and secure school environment. If you have any questions or concerns regarding the collection or intended uses of this information please contact the School Principal.</p>
Section 17	<p><b>Notification to Parent/Guardian</b></p> <p><b>Religious Permeation (Alberta Human Rights Act) (Bill 44)</b></p> <p>The Alberta Human Rights Act requires a School Board to give notice to a parent or guardian when courses of study, educational programs, institutional materials, instruction, or exercises include subject matter that deals primarily and explicitly with religion.</p> <p>All of the schools in this District are Catholic Separate Schools; the essential purpose of which is to fully permeate Catholic theology, philosophy, practices and beliefs, the principles of the Gospel and teachings of the Catholic Church, in all aspects of school life, including in the curriculum of every subject taught, both in and outside of formal religion classes, celebrations and exercises.</p> <p>Every course of study and educational program, all institutional materials, instruction and exercises will at all times include subject matter that deals primarily and explicitly with religion.</p>
Section 18	<p><b>Declare your support for Catholic Schools - Declare your Taxes</b></p> <p>To ensure your property taxes are supporting your Catholic Separate School District, you must declare your school support as <b>"Separate"</b> on your Annual Property Assessment Notice and Tax Bill. If a declaration of school support is not filed by a property owner, the property assessment and tax bills show the school support as defaulting to the public school system. <b>DECLARE YOUR SUPPORT FOR CATHOLIC SCHOOLS</b> by completing a School Support Declaration Form available from your <i>local city, town or municipality office</i>. For more information contact your School District Office at (403) 502-8347.</p>
