

### TRUSTEE CODE OF ETHICS

Each trustee, representing all Catholic school supporters of the community and responsible to this electorate through the democratic process, recognizes:

- That trustees are accountable to the Magisterium of the Church, and that, according to the Code of Canon Law, a Catholic school is an instrument of the Church.
- That, legally, the authority of the Board is derived from the province which ultimately controls the organization and operation of the Division and which determines the degree of discretionary power left with the Board and the people of this community for the exercise of local autonomy.
- That fellow citizens have entrusted them, through the electoral process, with the educational development of the children and youth of the community.
- That trustees are the children's advocates and their first and greatest concern is to serve the children of the Division to the best of their ability, taking actions which put the interests of students first,
- That trustees are educational leaders who realize that the future welfare of the Church, the community, the province, and Canada is dependent on the largest measure upon the quality of education provided in schools to fit the needs of every learner.
- That trustees must ~~never~~ not neglect their personal obligation to the community and their legal obligation to the province, nor surrender these responsibilities to any other person, group, or organization but that, beyond these, trustees have a moral and civic obligation to the nation which can remain strong and free only so long as schools in Canada are kept free and strong.
