Dear Parents/Guardians,

As you are most likely aware, four cases of COVID-19 have been identified at Notre Dame Academy. As there are cases in different grades, at least 14 teachers have been quarantined. It has become clear that we will not be able to provide enough qualified substitute teachers to replace all 14 teachers. Therefore, due to operational concerns, we will be transitioning to online learning beginning Monday, April 26, 2021 until Friday, May 7, 2021.

During this period, students will be provided with online and/or paper based instruction. Should you require support in accessing technology, please contact the principal to make appropriate arrangements.

We will make every effort to keep you informed should any circumstances change.

Thank you for your patience and understanding.

God Bless,
