

Administrative Procedure 548

PARKING ON SCHOOL PROPERTY

Background

The Division provides space at each school for staff parking. Several designated stalls at each school have electrical outlets.

The Division will assess a fee for each designated parking stall with an electrical outlet.

Procedures

1. The fee assessed for access to a parking stall with an electrical outlet will be determined by the Secretary-Treasurer and communicated to the schools in June of each year for the upcoming year.
2. School Councils may develop policy on student parking.
