

Superintendent Message for the School Year

**The Board of Trustees and Senior Administration for
Medicine Hat and Bow Island Catholic Schools welcome you.**

**In Catholic Education we travel with the constant companionship of
Jesus Christ. Jesus is our brother and Savior.**

Jesus teaches us.

Jesus guides us.

Jesus protects us.

Jesus fascinates us.

**The core of Catholic Education is our Faith. Through the relationship
students, staff, parents, and members of the Catholic community
establish with each other, is the evidence of how strong that core is.**

**My sincere hope is that God gives us many opportunities this school
year to work with each other to continue to improve our Division.**

Blessing on You!

Sincerely,

David Leahy

Superintendent of Schools
