Please register for the 2022-2023 school year if:

- Your child will be changing schools for the upcoming school year,
- You have moved to a new place of residence,
- Or, your child is not currently riding the bus but will ride the bus in the fall.

If your child was registered for school bus transportation last school year they are automatically registered for the upcoming school year if they are eligible for bussing and have not switched schools.

Eligibility & School Boundaries

Medicine Hat Catholic Board of Educations will provide transportation to:

- Kindergarten to Grade 6 students who live 1.2 km's or more from their designated school.
- Grade 7 to Grade 12 students who live 2.4 km's or more from their designated school.
- Students are ONLY permitted to be transported to and from their home address. Any other addresses will not be accepted as part of the registration.

PLEASE NOTE: No changes will be made to published bus route maps during the first two weeks of school. Any modified maps will go into effect Monday, September 12, 2022.

**Medicine Hat Catholic Board of
Education continues to work
closely with Southland
Transportation to create a
positive school bus experience
for all students.**
