## ORANGE SHIRT DAY - SEPTEMBER 30

**Medicine Hat Catholic Schools wear orange in the spirit of reconciliation and hope!**

MHCBE is proud to take part in the national Orange Shirt Day movement for the third consecutive year. By wearing orange on September 30,

staff and students acknowledge the experience of residential school survivors and honour them by showing a collective commitment to ensure that every child matters. All MHCBE schools were given "Every Child Matters" pencils and pens to recognize this day.
