

Notre Dame Academy

Sports Academy Registration 2020-2021

We also offer a specialized sports academy program for students in Grades 6 to 9.

Program Costs and Payment Options are outlined on the following page.

Payment plans will only be available for setup in SchoolCash Online once an Academy space is confirmed.

Please note: All deposits are non-refundable after June 1, 2020. Once an academy space is appointed, payment arrangements must be completed on SchoolCash prior to deadline outlined in the acceptance letter (TBA). If payment arrangements are not completed, the academy space will be forfeited and granted to another student.

This program is intended for highly motivated students who wish to significantly advance their skill and knowledge of their sport. A very high standard will be set with regard to behaviour and work ethic. A willingness to meet this level will be the basis for advancing through the program.

For new students registering from outside our Division, your acceptance into our programming will be dependent upon meeting registration criteria and availability of space. Please be advised that school administration may contact your child's previous schools prior to acceptance.

Please be prepared to supply student's last report card.

Academy Placement Guidelines:

Registration guidelines for Notre Dame Academy Placements (Sports Academy focus):

- 1) All current sports academy students who will be in Grade 7/8/9 next year automatically get a spot in his/her current academy, or if room available, in desired academy.
- 2) All students currently enrolled in Medicine Hat Catholic Schools.
- 3) Non resident students.
- 4) If registrations exceed spaces available students will be selected by draw.
