## EARLY LEARNING (ELP)-GRADE 6

Nov 30  
to  
Dec 17

Students will continue to learn in-person at school

Dec 18  
to  
Jan 3

Christmas Break!  
No school for students

Jan 4-8

All students will attend classes online

Jan 11

All students return to in-person class

### November 30-December 17, 2020

Regular cleaning/sanitizing, hand washing, masking, cohorting and physical distancing will continue in our school buildings.

Families must still be mindful of the Daily Health Checklists and not send children to school if they are feeling unwell.

School buildings are still open and running as normal. Outside supports and extracurricular activities may continue in coordination with Provincial health measures.

Providing a safe and loving environment for students will continue to be our top priority.

### January 4-7, 2021

#### Online Learning

While learning at home, students will connect with their teachers regularly. Children will be provided with daily virtual instruction and/or a paper package of learning materials. Learning packages may be provided prior to the Christmas break.

#### Technology

Technology and lending of devices will be coordinated by each individual school. More information coming soon.
