# MEDICINE HAT CATHOLIC BOARD OF EDUCATION <br> 2020-21 SECOND QUARTER ANALYSIS <br> AS AT FEBRUARY 28, 2021 

## OVERALL

- Summary
- There is a projected surplus of $\$ 814,513$ based on this analysis. This amount, if realized at year-end, will flow into the reserves.
- Unrestricted would be $\$ 568,824$
- Restricted would be $\$ 1,469,284$
- 5-days balance $\$ 660,315$
- SGF 678,718
- Others - \$130,251
- Capital Reserves would be $\$ 240,000$
- This projection is based on an analysis of current spending trends. If spending ramps up with CoVID restrictions becoming lifted or there is a change in the spending trend then the projection will need to be adjusted accordingly.
- Revenue
- Revenue is projected to be lower than the budget update by $\$ 472,000$. This is due to:
- Assumption that the 'hold harmless' announcement from Alberta Education will apply to Base Instruction. This increases revenue by $\$ 163,121$. It is unclear if PUF will be included with this announcement, so the funding reduction relating to SLS remains in the projection. This is $\$ 322,678$.
- Instructional Resource fees increasing by $\$ 9,000$. Academy fees are $\$ 13,000$ higher than budget; but offset by a reduction in School fees of \$4,000.
- Other Sales \& Services decreasing by $\$ 48,200$ which is mostly due to a decrease in International Education students attending this year.
- Investment Income decreasing by \$1,400.
- School Generated Funds decreasing by \$594,477 (all around there are less extracurricular fees, donations, fundraising)
- Fees will be $\$ 290,600$ lower than budgeted (largely relating to extracurricular activities not collecting fees).
- Donations will be $\$ 13,200$ lower than budgeted.
- Fundraising will be $\$ 165,500$ lower than budgeted (extra-curricular activities are not fundraising to offset costs).
- Other Sales \& Services \$159,300 lower than budgeted.
- Out of School Care revenue increasing by $\$ 55,200$ (this is largely due to one-time COVID relief funding from the provincial government)
- Expenses
- Expenses are projected to decrease by $\$ 1,474,500$ from the Budget Update. This is due to:
- Preschool expenses decreasing by $\$ 24,000$
- The savings relates to a decrease in supply and new furniture and equipment purchases.
- Base Grant Early Ed expenses decreasing by \$73,300
- Staffing decisions have been deferred until full understanding of how the current year is being funded are known (ie. if a claw-back is being applied).
- PUF expenses increasing by $\$ 60,700$
- The budget update was reduced by $\$ 100,000$ to recognize the potential claw-back in PUF funding due to fewer students being supported. Expenses could be decreased by a further $\$ 30,000$ if the claw-back continues to be enforced.
- However, if the 'hold-harmless' also applies to PUF, there could be additional staff hired.
- Learning Services expenses decreasing by \$95,600
- Savings relates to staffing. Budget certificate d FTE of 4.125; but actuals of 3.925 FTE
- Approximately $\$ 20,000$ in savings in sub-LA costs.
- Another $\$ 20,000$ in savings in supplies.
- Technology expenses decreasing by $\$ 81,000$
- Savings of $\$ 14,000$ in travel, as many of the PD opportunities aren't available
- Repairs and maintenance is lower than expected by $\$ 11,400$
- Software costs are less due to the library software only requiring maintenance costs.
- Not as much tech for COVID has been purchased. This equates to approximately $\$ 30,000$.
- SGF expenses decreasing by \$776,600
- The expenses related to extra-curricular sports are not being incurred due to COVID. This holds true for non-curriculum related travel.
- SBDM expenses decreasing by $\$ 85,500$
- Field trips/bussing is decreased by $\$ 19,000$
- Certificated teacher costs are lower than expected due to the average teacher cost being used for budgeting purposes.
- Facility rentals is $\$ 20,500$ less than expected.
- New furniture and equipment is $\$ 37,600$ less than budgeted
- Religious Ed expenses decreasing by $\$ 10,800$
- The curriculum resources came in under budget by $\$ 4,300$; and also with COVID, travel costs have savings of $\$ 8,900$
- Instructional Staffing decreasing by \$400,000
- Extended illness and maternity costs are lower than budgeted by $\$ 253,700$. We had expected higher utilization than what is realized.
- Substitute teacher and casual support staff costs are lower than expected by $\$ 220,000$. We had anticipated higher sick time than what is being realized.
- Contractual PD costs are $\$ 38,000$ lower than budgeted based on the refund from the ATA.
- Instructional Pool decreasing by \$6,000
- This largely relates to International Education. With fewer international students, the contractual payments for homestays is less.
- Transportation decreasing by \$134,500
- This relates to savings generated from at-home learning during December for the middle and high school and the first week of January for all schools.
- In addition, parent provided transportation is under budget by approximately \$60,900
- POM increasing by \$137,000
- This largely relates to the staffing costs being approximately $\$ 41,000$ higher than budgeted.
- Utilities are trending high and could be \$96,000 over budget.

## - Specific Budgets

- Preschool (324)
- Preschool is projected to collect $\$ 460,309$ in parent fees. Once this is adjusted for various allocations, etc the Preschool revenue is projected to be $\$ 403,918$.
- Preschool expenses are projected to be $\$ 383,604$
- This would result in a surplus of $\$ 20,314$ to the program (after the various allocations, transfers, etc)
- PUF
- PUF funding was originally $\$ 1,634,740$. However, due to us supporting a lower than expected number of children, there is an anticipated reduction in funding of $\$ 293,050$; for an adjusted revenue amount of $\$ 1,341,690$. It is unclear at this time if PUF will be included in the 'hold harmless' announcement. Therefore, the funding reduction has been left in as an assumption.
- PUF expense are projected to be $\$ 1,402,375$; however, Terri feels that a further $\$ 30,000$ could be reduced if the hold harmless doesn't apply to PUF.
- If the hold harmless doesn't apply to PUF, and a funding reduction is enforced, PUF would have a deficit of $\$ 30,685$. If PUF is held harmless and is entitled to the full funding, there would be a surplus of $\$ 232,365$.
- Depending on the final PUF budget, Terri would like to supplement staffing.
- International Education
- International Education is expected to have revenue of $\$ 122,414$ (this is net of any agent commission on invoices)
- International expenses are expected to be $\$ 196,693$
- This results in a deficit of \$74,279
- There is currently $\$ 8,664$ in restricted reserves for International Education.
