---

Medicine Hat Catholic Board of Education is a publicly funded, vibrant part of the public education system in Alberta serving 2700 students in 9 schools with 350 employees. We are dedicated to providing the highest quality Catholic education in faith based classrooms in partnership with *Family, Church and Community*.

---

**Description:** The ideal candidate should possess a combination of education and experience that would serve to enhance the school, staff and students within Early Learning Programming.

**The successful candidate must:**

- Work within a collaborative team including early learning program educators, speech language pathologists, occupational therapists, physical therapists, learning assistants, community partners and families to provide support for children with needs in school or community-based programs
- Oversee and facilitate programming for children accessing Program Unit Funding (PUF) and Mild Moderate support in school and community early learning programs based on current, research-based best practice in early learning
- Develop and implement Individualized Support Plans (ISP's) based on information shared by families, therapists and various other early learning team members to support the needs of children accessing Program Unit Funding (PUF) and Mild Moderate support in school and community early learning programs
- Establish and foster on-going positive relationships with children, families, and all other early learning team members including early learning program educators, speech language pathologists, occupational therapists, physical therapists, therapy assistants, learning assistants and community partners
- Demonstrate positivity, energy and enthusiasm to support children in reaching emotional, social, intellectual and physical developmental milestones
- Strong organization skills and the ability to work in a fast-paced, team-orientated environment
- Excellent interpersonal skills with an ability to communicate with school staff, children, parents, and various team members

**Qualifications and Skills:**

- Bachelor of Education is required
- Education in early childhood and/or experience will be considered an asset
- Knowledge and understanding of research based educational practices to support learning in the early years
- Competent in the use of Technology (PowerSchool, Interactive Boards, Google and Microsoft Suite)

As part of a commitment to Catholic education for the students of the Medicine Hat Catholic Board of Education, and as a condition of employment, an individual taking employment within the Division, will undertake to follow, both in and out of your employment with the Division, a lifestyle and deportment in harmony with Catholic Church practices and beliefs which include, among other things, living in harmony with the principles of the Gospel and teachings of the Catholic Church.
