**St. Mary's School will make every reasonable effort to ensure or ascertain that:**

1. The staff, volunteers, and/or service provided involved are suitably trained and qualified.
2. The students are adequately supervised over all aspects of the program activity.
3. The location(s) used are appropriate and safe for the activity(ies) and group.
4. Equipment used has been inspected and deemed appropriate and safe.
5. A safety plan is in place to identify and manage known potential risks.

**CONSENT AND ACKNOWLEDGEMENT OF RISK**

1. I accept the mode of transportation for these activities.
2. I acknowledge my right to obtain as much information as I require about this program or activity and associated risks and hazards, including information beyond that provided to me by St. Mary's School or Medicine Hat Catholic Board of Education.
3. I freely and voluntarily assume the risks/hazards inherent in the program/activities offered and understand and acknowledge that my child may suffer personal and potentially serious injuring arising from his/her participation.
4. My child has been informed that they abide by the rule and regulations, including directions and instructions from St. Mary's School and/or service provider's administrators, instructors, and supervisors over all phases of the program/activity.
5. In the event my child fails to abide by the rules and regulations, disciplinary action may require my child's exclusion from further participation, or that I may be contacted to have my child picked up, unless I have specified other transport arrangements.
6. I acknowledge that it is my responsibility to advise the teacher of any medical and/or health concerns of my child that may affect their participation in the stated program or activity.
7. I acknowledge that the off-campus supervisors may secure transportation to emergency medical services.
