**The School will make every reasonable effort to ensure or ascertain that:**

1. The staff, volunteers and/or service provided involved are suitably trained and qualified.
2. The students are adequately supervised over all aspects of the program activity.
3. The location(s) used are appropriate and safe for the activity and group.
4. Equipment used has been inspected and deemed appropriate and safe.
5. A Safety Plan is in place to identify and manage known potential risks.

**CONSENT AND ACKNOWLEDGEMENT OF RISK**

**Destination/Activity/Program Date(s):**

1. I accept the mode of transportation for this activity.
2. I acknowledge my right to obtain as much information as I require about this program or activity and associated risks and hazards, including information beyond that provided to me by the school or board.
3. I freely and voluntarily assume the risks/hazards inherent in the program/activity and understand and acknowledge that my child may suffer personal and potentially serious injury arising from his/her participation.
4. My child has been informed they abide by the rules and regulations, including directions and instructions from the school's and/or service provider's administrators, instructors, and supervisors over all phases of the program/activity.
5. In the event my child fails to abide by these rules and regulations, disciplinary action may require my child's exclusion from further participation, or that I be contacted to have my child picked up, unless I have specified other transport arrangements.
6. I acknowledge that it is my responsibility to advise the Lead Teacher of any medical and/or health concerns of my child that may affect their participation in the stated program or activity.
7. I acknowledge that the trip supervisors may secure transport to emergency medical services
