NEW COMPUTERS AND SMARTBOARDS AT ALL CATHOLIC SCHOOLS!

At the Public Board Meeting on January 11, the Board of Trustees approved the purchase of new Smartboards using the Infrastructure Maintenance and Renewal (IMR) budget. An additional motion was made to purchase a fleet of new computers division-wide to support the technology upgrade. This investment in technology will support all classrooms across the division (ELP-Grade 12), providing staff and students with significant upgrades to enhance their learning and teaching experiences. Details regarding the division-wide technology enhancement will be shared this spring!

PRIVATE TOURS, PROMO VIDEOS, VIRTUAL SCHOOL TOURS & MORE!

Medicine Hat Catholic schools are amping up for another exciting school year! While large scale open houses aren't possible due to COVID-19 restrictions, schools are working hard to create informative content to share with new families. We want to do our best to make parents and students as comfortable as possible when choosing a school for their child!

New families are encouraged to contact the school of their choice to book a private, masked, COVID-friendly tour. Visit any Catholic school website to learn more about their school's unique and engaging programming!

PINK SHIRT DAY - FEBRUARY 16, 2022

Let all you do be done in love.

1 Corinthians 16:14

This year, Medicine Hat Catholic schools will recognize Pink Shirt Day on Wednesday, February 16.

Staff and students are encouraged to wear a pink shirt on Pink Shirt Day as a symbol of inclusion, love and a commitment to be kind to each other and ourselves.
