

# CATHOLIC EDUCATION WEEK DAILY PRAYERS

WEDNESDAY, MAY 25

Loving God,

help us see the world through the lens of our Catholic faith to permeate our words and actions with our Catholic virtues, values and beliefs. Fill us with all the joy, peace, goodness and knowledge that we can teach one another in faith. May the life and ways of Christ permeate our lives so that anything is possible. We believe that when Jesus is first in our lives, we can pray, ask, and receive hope and grace. We ask this through Jesus Christ, Your Son. Amen.
