

# Catholic Education Week Activity Inspiration

## MARK 1: CREATED IN THE IMAGE OF GOD

- Work on art projects for the Created in the Image of God art show.
- Assemblies that share this message of being created in the Image of God/ celebrating students of the week based upon showing that image to others
- Primary grades could create an image of themselves/God – a template will be given
- Older students may create writings or drawings on how they see God in others by their gifts or talents
- Have students take a photo with a frame that says #IBelieveinCatholicEd -post it on social media
- Host a musical performance or talent show
