October 21 was Friends of McCoy Society's fundraiser to help build a theatre at Monsignor McCoy Highschool.

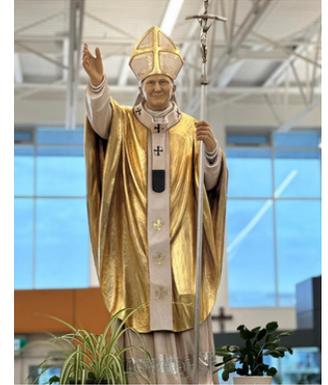

After getting the word out via news, radio stations and posting on social

media, the fundraising group successfully raised a whopping **\$158,285**. An anonymous donor matched dollar for dollar that was donated to the Friends of McCoy Society in support of building a theatre. The anonymous donor had also donated \$10,000 towards the construction of the theatre.

Thank you to all who participated in this fundraiser and all who donated and helped raise money for this fundraiser.

STATUE UNVEILING AND BLESSING AT ÉCOLE ST. JOHN PAUL II SCHOOL

On October 21, École St. John Paul II School hosted the unveiling and blessing of the Virgin Mary statue and St. John Paul II statue. After a very lengthy process of finding a trusted vendor, commissioning the statues to be created by artisans in Italy. A big shout out to all who helped raise funds to bring these beautiful statues for all to admire and enjoy.
