December 4, 2023

Dear MHCBE staff and families,

On behalf of the Board of Trustees, I am honored and excited to present the Medicine Hat Catholic Board of Education 2022-2023 Annual Education Results Report (AERR). Our Board encourages you to review this report, which will provide you with a snapshot of all the hard work that is done each year for our students. Our commitment to Catholic education will ensure that our students continue to learn in a culture of faith and excellence.

Our division continues to demonstrate exceptional outstanding results while also showing improvement in many areas. These results are directly related to strong leadership in our schools and the exceptional work of teachers and support staff who, day in and day out, deliver quality instruction, permeated with Gospel values, in an environment led by the Holy Spirit.

*“For I know the plans I have for you,” declares the Lord, “plans for welfare and not for evil, to give you a future and a hope.” Jeremiah 29:11*

From the boardroom to the classroom and all areas in between we acknowledge the perseverance and dedication of our school communities. It is truly admirable. We also acknowledge the commitment of parents to their child's Catholic education as well. We applaud each and every one of you and the effort you have and continue to put into education and our results reflect this.

Our Catholic schools are rooted in biblical values, and it is through this lens that we provide Christ centered support to the students and families entrusted to us. We are proud of the hard work of our students who remind us daily why we are part of the vocation of Catholic educators.

In this Advent season we are reminded of the three comings of Christ; the incarnation, when He comes the second time, but also when He comes through the sacraments daily, as we build the kingdom of God, especially the Eucharist. Catholic education is the teaching arm of the church and helps bring that sacramental church alive for our students.

Thank you ALL for supporting Catholic education! You are all where God needs you to be, you have been called by name. Thank you and congratulations. Keep up the great work!

Sincerely,

Kathy Glasgo  
Board Chair  
Medicine Hat Catholic Board of Education
